

India School on Internet Governance

Building IG Capacity in India & South Asia

Founded in 2016, the India School on Internet Governance (inSIG) caters to the capacity building requirements of the Internet Governance community in India as well as South Asia in general.

A community initiative of ISOC Chapters in India, inSIG brings together a diverse community ranging from students & young professionals to senior practitioners and international experts, to discuss, debate and learn the ecosystem and functions of national, regional and global Internet Governance processes.

Editions

The first edition of inSIG (inSIG2016) was organized at IIIT Hyderabad, Telengana, just prior to the ICANN57 meeting held in the same city. The second edition, inSIG2017, was held at Technopark, Trivandrum, Kerala in Oct-Nov 2017. The third edition of inSIG was conducted in Oct 2018 at the India International Centre at Delhi.

Future editions of inSIG are planned for Kolkata (inSIG2019) and Mumbai (inSIG2020).

Curriculum

InSIG's curriculum has tended to reflect contemporary and topical issues as well as invariants, covering technology, policy and practice. Further, approximately 60% of inSIG curriculum is on global topics, 10% on regional topics and 30% on topics of national importance.

inSIG Fellows

Fellows to inSIG are chosen through an open call made in multiple community lists. Indian Fellows are supported with travel, accommodation and fee waiver. International fellows are provided with accommodation and fee waiver. In addition, where logistics permit, local fellows are also admitted.

Steering Committee

InSIG is guided in its operations through a Steering Committee that changes between each editions, whose members are selected from the host ISOC Chapters as well as other local supporting organizations.

Supporting organizations

inSIG has been supported by a variety of national and international organizations, including NIXI, Government of India; Internet Society; ICANN; APNIC; APASA; Government of Kerala; and other industry and community organizations.
